A LITANY

Dr. Elrica Carter-Glover , Mrs. Veronica Lawrence, Ethan Cosby and Jalyn Lawrence

Dr. Elrica Carter-Glover: We gather today to give thanks for our older adults and to celebrate the great diversity among our church family.

Ethan Cosby and Jalyn Lawrence: We children and youth have excitement over life. But we must look to adults for help in our areas of inexperience. We are thankful for the lessons in life older adults teach us. You are our gifts from God.

Mrs. Veronica Lawrence: We were all children once. That is something, which every one of us has in common. We may seem to forget, but we ask you to help us remember.

Trailblazers: Change comes so fast today that we hardly become adjusted to one change before another comes along. Much has changed in our lifetime. We remember so many who have gone before us and who have taught us how to be faithful before God.

Mrs. Veronica Lawrence: You laid the foundation upon which we were able to bring about change in our world and in our church. Without your experience and knowledge, we would not be able to find cures for diseases, travel around the world so easily, or communicate with all parts of the world. We admire you not just for what you did but for who you are as loving guides. We seek to follow in our seniors footsteps and to become faithful like you are before God.

Trailblazers: We are thankful for the freedom from competition, but we do not want to be placed on a shelf. We will continue to be active and in ministry and we welcome the opportunity to grow in our spirituality.

Mrs. Veronica Lawrence: We who are younger recognize that which you have given us and appreciate that which you will continue to give through your mission work, kind words and example. We will look to you as you continue to grow through creative elder hood. This is a process, which we all expect to share someday.

Dr. Elrica Carter-Glover: Our God, we do thank you for your gift of diversity. We thank you for the heritage that these older adults bring to us. We give thanks for the opportunity to learn from those who are the Master's teachers, those who have mastered life. Help us to support each other in our various life responsibilities. Help us to truly be the one body of Christ, the church.
Amen.

To have faith is to defy logic. It takes faith to think positively. It takes faith to believe that there is a loving God who cares deeply about our pain. To believe in life, the universe, or yourself after numerous failures is to have courage. Faith is an act of courage. It is choosing to get up in the morning and face our fears and believe that God will help us. Faith is choosing to believe that even though we may have failed one hundred times before that we can succeed the next time.

This Is A Daily Reminder

**This is a daily reminder - To relax
To not get angry over small things - To stay calm**

**This is a daily reminder - To be yourself
To not care what people think - To know you can be anything**

**This is a daily reminder - To love yourself
To not hurt yourself - To not work yourself up**

**This is a daily reminder - That you are beautiful
That you are amazing - That you will succeed**

**This is a daily reminder - To always have hope
To have faith - To know everything will be okay**

**This is a daily reminder - That you have made it so far already
That you haven't given up - That whatever you're doing is right
And that you are going to be amazing**

Don't give up - Keep holding on and believing
